3/8	1	31/2	FB5081195095200	\$30.59
1/2	13/8	4	FB5081195127000	\$39.29
5/8 1	3/8	41/2	FB5081195158700	\$56.91
3/4	15/8	51/8	FB5081195190500	\$78.63

Designed for accurate spotting on NC machines; where a high performance drill with less of a point angle will be used for the drilling application
 n Cobalt provides better wear resistance in hardness and toughness compared to HSS
 n For use in high-tensile alloys, titanium, cast iron, inconel and high-nickel stainless steel
